- Deloitte Digital Study, 2014

## 1 Reach your customers when they're online.

We show your ad to your customers when they're online, no matter what sites they're reading, watching, or browsing. Be seen on top sites, increase web and foot traffic, and boost sales.

## 2 Target local customers

We reach your customers only in the local neighborhoods you choose, putting your advertising dollars to work where they matter the most.

75% of all U.S. consumer spending occurs within 15 miles of home.

-U.S. Census Data, 2009

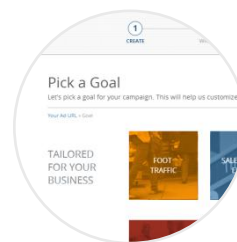

## 3 Do it all for less than \$3 / day.

We increase exposure for your business among thousands of customers, but you pay only for clicks. Best of all, there are no contracts or extra fees.

## 4 Set up your ad in minutes.

You can set up a professional ad campaign in just minutes, using our easy, step-by-step, campaign creator tool.
